DISMISS ALL THESE DISHONEST MPs (and their successors)

WE MUST RESTORE HONESTY, INTEGRITY & DEMOCRACY

On Tuesday 6 April Gordon Brown will almost certainly announce the date of the General Election, which will be Thursday 6 May. We all have a unique opportunity to get rid of all these dishonest MPs and career politicians who have, over many years, with the connivance of their Party Whips and Leaders, abused their position as elected representatives of the people in order to line their own pockets with our, the taxpayers' money. They have disgraced themselves, their Political Parties, and above all deceived and betrayed their constituents. They must be replaced with honest, independent men and women whose loyalty will be to their constituents and not to their Party Whips. Local people must have the right to elect their own representatives, who live and work in their community, and not to be forced to accept candidates who are carefully selected by secret committees in order to carry out social engineering projects, and are then "parachuted" in to so-called "safe" constituencies, with which they have no connection whatsoever. This is a complete contradiction of democracy **and must be stopped !**

Many people are so incensed at the MPs fiddling their expenses that they may decide not to vote at all which could result in even more dishonest MPs being (re)elected. SCP candidates will stand under: Independents Federation UK - Alliance for Democracy, so if there are no Independents in your area vote for our Alliance for Democracy candidates who together will be fielding up to 200 candidates nationwide. We will shortly be publishing a full list of Independents and Alliance for Democracy candidates so that you can see who will be standing in your area and contact them before the election. In the meantime please contact your local Independent Candidate, Martin Levin on 07946 481209 or email him at: martinlevin@hotmail.co.uk and ask him about our policies and help with his campaign.

Please help us to restore Honesty, Integrity and Democracy by sending donations for as much as you can afford to: Independents Federation UK, The Mansion, Ottershaw Park, Surrey, KT16 0QG as soon as possible. Many thanks, Grahame Leon-Smith, Party Leader
